INDUSTRY OVERVIEW

During the period under review, volatile conditions continued in the global markets. Pakistan textile sector witnessed unprecedented recovery and reported strong demand in most of the segments. The energy package announced by the Government for the export industry helped exports become competitive. The State Bank has also launched a long term concessionary financing facility for boosting investments in new capacity expansion and upgradation of technology.

The domestic Polyester industry enjoyed almost maximum capacity utilization and respectively higher sales volume during the period under review, due to the strong market demand. PTA and MEG markets remained stable. Slight increase in the price of MEG was noticed in the second quarter of Financial Year.

Going forward, much growth in textile and clothing export is expected. Your company remained closed during the period under review.

AIDITOR'S OBSERVATION

- a) In Para (a) of their review report they did not agree with the going concern assumption used in preparation of interim condensed financial statements accordingly they have given their adverse opinion on the interim condensed financial statements. However, the management is in process of negotiation with the bankers and is confident that the outcome will be positive. The justification regarding preparation of interim condensed financial statements on going concern assumption are more fully explained in note 2 to the interim condensed financial statements.
- b) The company has not made provision of mark up for the period amounting Rs0.905 Billion on its markup bearing liabilities. The management has approached its bankers/financial institutions for restructuring of its obligations. The management is confident that the company's restructuring proposals will be accepted by the financial institutions. Therefore, the company has not made any provision for mark-up.

- c) Para (c) of the report relates to valuation and classification of investment in Dewan petroleum (pvt) Limited using the equity method as required under International Accounting Standards 28 Investment in Associates which the company has classified as held for sale. The management's intention to sell this investment within next accounting cycle in the manner to be deemed appropriate, equitable, fit and beneficial to the interests of the company, which will enable to resume operation of the company. For the purpose special resolution was passed in 2008 has been expired, however the management will seek further shareholders, approval before disposal of the same.
- d) Trade debts amounting to Rs. 1.447 billion are stagnant, not being recovered, against which a provision of Rs.0.737 billion has been made so far. Since these trade debts are doubtful of recovery therefore the provision should be made there against. Had provision been made, loss for the period would have been further higher by Rs.0.710 billion. Management of your company taking utmost efforts to recover these debts, we believe that there will be positive response from debtors and will take our position accordingly.

ACKNOWLEDGEMENT

The Board expresses the hope that it's valued shareholders, Federal and Provincial Government functionaries, banks, financial institutions and customers of Salsabil, shall continue to extend their cooperation, support and patronage as in the past.

The Board also expresses its appreciation for the valuable services, loyalty and laudable efforts continuously rendered by the executives, staff members and workers of the company and recognize that they are most valuable assets of the Company.

INDEPENDENT AUDITOR’S REVIEW REPORT**To the members of Dewan Salman Fibre Limited****Report on review of Condensed Interim Financial Statements****Introduction**

We have reviewed the accompanying condensed interim statement of financial position of Dewan Salman Fibre Limited (‘the Company’) as at 31 December 2020, the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred to as the “condensed interim financial statements”). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures of the condensed interim statement of profit or loss and other comprehensive income for the quarters ended 31 December 2020 and 31 December 2019 have not been reviewed, as we are required to review only the cumulative figures for the half year ended 31 December 2020.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of the condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Bases for adverse conclusion

- a) The condensed interim financial statement of the Company for the period ended 31 December 2020 reflects loss after taxation of Rs.0.077 billion and as of that date it has accumulated losses of Rs.20.007 billion which resulted in net capital deficiency of Rs.12.837 billion and its current liabilities exceeded its current assets by Rs.17.851 billion and total assets by Rs.11.477 billion. The operations of the Company are closed since December 2008 due to working capital constraints. Furthermore, the Company has been unable to ensure timely repayments of debts owing to financial institutions due to liquidity problems and short term finance facilities have expired and not been renewed by banks. Following course, lenders have gone into litigation for repayment of liabilities through attachment and sale of company's hypothecated / mortgaged properties and certain lenders have also filed winding up petitions. These conditions lead us to believe that the going concern assumption used in preparation of these condensed interim financial statements is inappropriate; consequently, the assets and liabilities should have been stated at their realizable and settlement amounts respectively.
- b) The Company has not made provision of markup for the period amounting to Rs.0.905 billion (up to December 31, 2020: Rs.24.507 billion) (refer note 9) on account of restructuring proposal offered to the lenders as described in note 2 to the condensed interim financial statements. Non-provisioning of markup is based on management’s hope that the restructuring proposal will be accepted by lenders in the proposed manner. In our opinion, since the proposal has not been accepted by the lenders so far and the lenders, instead of accepting the restructuring proposal, have preferred filing suits against the company, therefore

the provision of markup should be made in this condensed interim financial statement. Had the provision of markup been made in the condensed interim financial statement, the loss after taxation for the period would have been higher by Rs.0.905 billion and markup payable would have been higher and shareholders' equity would have been lower by Rs.24.507 billion.

- c) Investment in associate Dewan Petroleum (Private) Limited is disclosed as non-current assets held for sale (refer note 8 to the condensed interim financial statements) although the resolution for the permission to sale the same has been expired during financial year ended 30 June 2009. which is non-compliance of IFRS 5 Non-current assets held for sale. This investment is required to be accounted for at equity method as prescribed in International Accounting Standard – 28 'Investment in associates'. We are unable to quantify the effect of the same as latest audited accounts of Dewan Petroleum (Private) Limited were not made available.
- d) Trade debts amounting to Rs.1.447 billion are stagnant, not being recovered, against which a provision of Rs.0.737 billion has been made so far. Since these trade debts are doubtful of recovery therefore the provision should be made there against. Had the provision been made, loss for the year would have been further higher by Rs.0.710 billion.

Adverse conclusion

Our review indicates that, because of the significance of the matter discussed in paragraph (a) coupled with financial impact of matter discussed in paragraph (b) to (d) above, these condensed interim financial statements are not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan.

1 THE COMPANY AND ITS OPERATIONS

The Company was incorporated in Pakistan on 4 October 1989 and its shares are listed on Pakistan Stock Exchange. It is engaged in manufacturing and sale of polyester, acrylic fibre and tow products. However, the operations of the Company are closed since December 2008.

The geographical location and address of Company's business units including plant is as under:

- The registered office of the Company is situated at Plot No. 6, street no. 9, Fayyaz market, G-8/2, Islamabad, Pakistan.
- The factory office of the Company is situated at Plot No. 1, Dewan Farooque Industrial Park, Hattar, District Haripur (K.P.K), Pakistan.
- The head office of the Company is situated at Finance and Trade Centre, Block-A, 2nd Floor, Shahrah-e-Faisal, Karachi, Pakistan.

2 GOING CONCERN ASSUMPTION

The condensed interim financial statement for the half year ended 31 December 2020 reflects loss after taxation of Rs.0.077 billion (June 2020: Rs.0.928 billion) and as of that date it has accumulated losses of Rs.20.007 billion (Jun 2020: Rs.20.050 billion) which have resulted in net capital deficiency of Rs.12.837 billion (June 2020: Rs.12.759 billion) and its current liabilities exceeded its current assets by Rs.17.851 billion (June 2020: Rs.17.997 billion) and total assets by Rs.11.477 billion (June 2020: Rs.11.361 billion). The operations of the Company are closed since December 2008 due to working capital constraints. Further, the Company has been unable to ensure timely repayments of debts owing to financial institutions due to liquidity problems and short term finance facilities have not been renewed by banks. Following course most of the lenders have gone into litigation for repayment of liabilities through attachment and sale of the Company's hypothecated / mortgaged properties and certain lenders have also filed winding up petitions. These conditions indicate the existence of material uncertainty, which may cast significant doubt about Company's ability to continue as going concern.

The condensed interim financial statements has been prepared on going concern assumption because the above conditions are temporary and would reverse. The management is confident that the outcome will be positive as the Company is negotiating re-profiling of the debt with all the lenders and is expected to be closed in near future. Accordingly, the Company has approached its lenders for the restructuring of its entire debt in the following manner:

- a) All the debt obligations of the Company be converted into Interest Bearing Long Term Loan in proportion to their respective current exposures;
- b) Principal to be repaid in 12 years in equal quarterly installments commencing from the 28th month of the restructuring date;
- c) Mark-up payable as on 31 December 2008 to be freezed and paid quarterly over a period of three years commencing after 3 months from the restructuring date;

The management believes that the restructuring proposal presented is workable and would enable the Company to service its debts. Therefore, the management is confident that the proposal will be accepted by its lenders. Accordingly, the condensed interim financial statements has been prepared on a going concern basis.

3 BASIS OF PREPARATION

صنعت کا مجموعی جائزہ

زیر جائزہ مدت کے دوران، عالمی منڈیوں میں حالات غیر مستحکم رہے۔ پاکستان ٹیکسٹائل کے شعبے میں غیر معمولی بحالی دیکھنے میں آئی اور بیشتر طبقات میں اس کی شدید طلب رہی۔ حکومت کے برآمداتی صنعت کے لئے اعلان کردہ توانائی ٹیکسیج سے برآمدات کو مسابقتی بننے میں مدد ملی۔ اسٹیٹ بینک نے نئی صلاحیت میں توسیع اور ٹکنالوجی کی اپ گریڈیشن میں سرمایہ کاری کو فروغ دینے کے لئے طویل مدتی مراحت یافتہ مالی اعانت کی سہولت بھی شروع کی ہے۔

زیر جائزہ مدت کے دوران، مقامی پالیسٹرانڈسٹری زیادہ سے زیادہ صلاحیت کے استعمال سے لطف اندوز ہوئی اور بالترتیب زیادہ سے زیادہ فروخت مستحکم مارکیٹ مانگ کے مطابق رہی۔ پی ٹی اے اور ایم ای جی کی مارکیٹیں مستحکم رہیں۔ مالی سال کی دوسری سہ ماہی میں ایم ای جی کی قیمت میں ہلکا اضافہ دیکھا گیا۔ مزید برآں، ٹیکسٹائل اور کپڑوں کی برآمد میں بہت زیادہ توقع کی جا رہی ہے۔ آپ کی کمپنی زیر جائزہ مدت کے دوران بند رہی۔

ب) وزیر چارجہ مدت میں کمپنی نے بینکوں کو واجب الادا رقم پر سو سو جو کہ 0.905 بلین روپے بنا ہے پر سو کا تخمینہ نہیں لگایا۔ کمپنی کی انتظامیہ بینکوں / مالیاتی اداروں سے رابطے میں ہے تاکہ قرضوں کی واپسی کی نئی شرائط پر غور کیا جاسکے۔ انتظامیہ کو یقین ہے کمپنی کی قرضوں سے متعلق گذارشات کو مالیاتی اداروں کی طرف سے قبول کیا جائے گا۔ لہذا کمپنی نے سو کے حوالے سے کوئی تخمینہ نہیں لگایا ہے۔

ج) پیرا (ج) رپورٹ کے مطابق کمپنی نے دیوان پٹرولیم میں سرمایہ کاری کی درجہ بندی اعتراف نیشنل اکاؤنٹنگ اسٹینڈرڈ کی حق 28 کے مطابق تعلق داروں کے ساتھ سرمایہ کاری میں کی ہے جبکہ یہ سرمایہ کاری فروخت کے لیے رکھ چھوڑے اثاثہ جات کے خانے میں موجود ہے۔ کمپنی اس سرمایہ کاری کو اگلے مالیاتی سال میں فروخت کرنے کا ارادہ رکھتی ہے۔ اس مقصد کے لیے 2008 میں ایک خصوصی قرار داد منظور کی گئی تھی جو کہ مذکورہ سال میں ہی اپنی معیا پوری کر چکی۔ چنانچہ اس سرمایہ کاری کو فروخت کرنے کے لیے حصص یا شیئران سے دوبارہ منظوری لی جائے گی۔

د) آڈٹ رپورٹ یہ بھی واضح کرتی ہے۔ کہ تجارتی قرض 1.447 بلین روپے جس پر 0.737 بلین روپے کے سو کا تخمینہ لگایا گیا ہے ابھی تک واپس نہیں لیے گئے اور موجود کا شکار ہیں۔ چونکہ ان قرضوں کی واپسی مشکوک ہے اس لیے نقصان کا تخمینہ لگانا ضروری ہے۔ اس بات کو مد نظر رکھتے ہوئے کمپنی نے مزید 0.710 بلین روپے نقصان کا تخمینہ لگایا ہے۔

آپ کی کمپنی کی انتظامیہ ان قرضوں کی وصولی کے لیے اپنی انتہائی کوشش کر رہی ہے۔ ہمیں قرضداروں سے مثبت رویے اور جلد از جلد قرضوں کی وصولی کی امید ہے۔

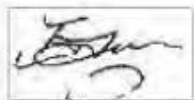

اظہار تشکر:
